OBJECTIVE: Results-oriented Computer Science student eager to leverage programming skills and experience in software development to contribute to impactful engineering projects and solve real-world problems.

SOFT SKILLS

- Communication
- Leadership
- Teamwork
- Adaptability Time
- Management
- Problem Solving

EDUCATION

GRADUATION | 2022-2026 (EXPECTED)

Chandigarh University, Gharuan

Bachelors in Computer Science Engineering

XII SENIOR SECONDARY SCHOOL | 2022

Springdale Public School, Sangrur | CBSE | 77%

X SENIOR SECONDARY SCHOOL | 2020

Springdale Public School | Sangrur | CBSE |

88%

TECHNICAL SKILLS

- Programming Languages: Python, JavaScript (JS), C++
- Web Development Frameworks: Flask, Bootstrap, Django, Node.js, Express.js
- Frontend Technologies: HTML, CSS, JS, ReactJS, Vanilla, Tailwind, Bootstrap
- Database Management Systems: SQLite, MySQL, MongoDB
- MS Excel, MS Word, MS Office
- Data Entry & Management
- Canva Design

Biometric Attendance System

- Developed a Biometric Attendance System using **Python, Flask, and Face Recognition library** for automated identity verification.
- Used **SQLite** for storing face data and user profiles.
- Saved attendance with date/time in **Excel** for easy tracking.
- Built a web interface for user management and monitoring.
Automated attendance tracking, ensuring accuracy and reducing manual effort.

HOBBIES

- Poetry
- Reading
- Movies
